Your user ID will be your social security number. Your temporary password will be given to you at the time of activation. If you enroll online or submit your application via mail or fax, you will receive a confirmation email upon receipt of the application. After responding to the email, you will receive your password in the mail. All electronic banking customers will be required to enter a new user ID, password and set up security questions and a security key upon logging in for the first time.

By signing this Electronic Banking Enrollment Form below, you are applying for Arthur State Bank's Online Banking Service and acknowledge receipt of the Terms and Conditions explained in the Online Service Agreement and Disclosure Statement. You fully understand and agree to abide by these stated Terms and Conditions and will be totally responsible for any actions initiated in the Telephone or Online Banking System by your User ID. You also certify that the information that is provided in this application is accurate. You agree to pay any fees associated with the Online Banking System including fees related to specific transactions.
